Talking Neopets Plushie™

Your best friends online can now be your best friends at home!

Neopets are virtual pets that you adopt online at www.neopets.com. Experience adventures with your Neopets throughout the many different regions of Neopia.®

Faerie Kougra™

Kougras were discovered in the deep forest of Mystery Island,™ feasting on the exotic fruits also found there. One of the Kougra's favourite games to play is coconut bowling, and they just LOVE to practice pouncing on each other. What else would those enormous paws be good for? We've taken a Faerie Paintbrush and visited the Rainbow Pool with this Kougra.

I'm a Kougra.

I just love to pounce and play!

Faerie Kacheek™

Battery Instructions:

Each Neopets Plushie comes with batteries for in-store demonstrations. Battery life may be impaired. To replace batteries, open the flap on the back of your Kacheek and retrieve battery box. Turn power off by setting the function selector to OFF. Ask an adult to open the cover with a screwdriver and replace with 3 new AAA alkaline batteries (not included) as shown. Do NOT use rechargeable batteries. Reattach cover and tighten the screw. Switch the function selector back to PLAY and return the battery box to the Plushie.

IMPORTANT: Remember to set the function selector to OFF before replacing the batteries or it may cause the Plushie to malfunction.

Function Selector: For full function regular play, open the flap on the back of your Plushie and retrieve the battery box. Set function selector to OFF for 5 seconds, then switch to PLAY position.
